Licenses and more...

Funeral music, they have their own license...but I still need to check a topic

Payments were received, and the changes were made to FB

Chimes will play the same music until June. I'm looking to purchase a book of hymns they can use this summer.

I want to work with the choir to learn and perform songs we do not know from ELW. We need a practice day during the week.

Pentecost

Bev will purchase a ½ sheet cake.

Kathy will get the red balloons.

I need to touch base with BJ again on the red geraniums. I will ask if the landscape committee has funds for this. I realize the worship committee may not have a budget for this. It was my idea, so I will cover it if need be.

May 19th is Pentecost.

June is Dairy month.

June 2nd ice cream social. Sundae Sunday

Ice cream – Ken picked up. Toppings, strawberries?, caramel, hot fudge, cones, sprinkles-

Allyn will pick up

Spoons and dishes=check to see if the church still has any disposable one left

Volunteers- the Stewardship committee was mentioned which is basically Maddy, Ken and Roy. Hopefully, we can find more people.

Good of the cause

Paster is posting the readings on FB on Fridays.

The preprinted bulletin covers that only have the devotional message in them are being ordered to see how the work out.

May 27th at Hickory Cemetery we need to honor the veterans. Pastor will be there. Hopefully, the choir will do a song. The list of veterans needs to be read. We need to lower and raise the flag. About 15 chairs, for the veterans, need to be brought over. Lora will coordinate with Cindy L on this.
