

Worship Cmt. Mtg. September 5, 2024

Prayer led by Maddy

Old Business

We switched service music for worship.

The float went well in the parade. Now, to make sure the 15th goes well.

Communion needs

How are the communion pew papers coming? The pew pads are falling apart. That's why we're doing it. Maddy will make a mock up and email it to the committee. Everyone will have input, and we will approve it via email.

Kathy will contact Earl about supplies.

Kathy will write down how many communion cups she makes every Sunday, Easter, and Christmas.

After much discussion, we will not be using intinction as a communion distribution method.

Music

I want to buy a book for the chimes. Actually, it's a Ring-Along series. I will order this week.

We need to get choir going again. I would like them to help pick the songs. We need a separate day to practice songs. Invite people to choir after worship. September 22nd.

We are already looking forward to Christmas. I have a few volunteers stepping forward.

Sunday School starts.

September 8th- There is also a baptism. Pastor will perform a blessing and recognize the Sunday School teachers: Becky and Patience and Cressida.

Blessing of the animals – September 15

Blessing after service. Line up by prayer garden...along the driveway. We need to block the driveway behind the church with sawhorses so no one gets hit. We need the sound system we used for Memorial Day.

Blessing of the Quilts September 29th (Healing Service, as well)

All Saints Day Remembering one person this year.

Thank Offering and Veterans Day November 10th (canned goods and money) Pins for Veterans. Read list of names.(The women have the list)

Thanksgiving (Deer Hunting) I will not be here November 24th. I will ask Karen to fill in.

Tree decorating and party Dec. 8th? Cheryl will double check the dates with the women.

Kid's Program December 22nd

Christmas Choir, Chimes, Brass, Piano, Organ

Next mtg

October 1st 9 AM

Prayer next time Beverly

Closed with the Lord's Prayer
