Worship Needs =

May 24th is Pentecost Sunday. We are still looking for ideas to celebrate the God the Holy Spirit coming into this world. It is also the day we honor our graduates. The lady's group does a lot for them.

May 31st is Holy Trinity Sunday. Should we do something for that? In terms of 3 or 3 in 1 or something? It is also a healing service.

Hymn Sing coming up in June! We could use more song suggestions.
